General Product Manual (EU Compliance for AliExpress)

1.Product Basic Information

Product Name: [Bicycle Accessories]

Manufacturer: [Fujian Quantu Trading Co. Ltd.], [CN-Room 701-7, No.452, Tongyuan Street, Huacheng Community, Huada Street, Fengze District, Quanzhou City, Fujian Province],[737136476@qq.com]

2.Usage Instructions & Restrictions

2.1 Correct Usage Instructions

1.Unpack the product carefully and check if all components (listed in the package list) are intact and free from damage.

2.Before use, ensure the product is placed in an environment that meets the specified conditions (e.g., temperature: 0°C-40C, relative humidity: ≤85% RH, no direct sunlight or strong magnetic fields).

3.For electrical products: Confirm that the local power supply voltage matches the product's rated voltage (marked on the product body) before connecting to power. For non-electrical products: Follow the assembly steps (if applicable) as shown in the attached diagram.

4.Operate the product according to its functional design: [Describe 2-3 core operation steps based on product type, e.g., "Press the power button for 2 seconds to turn on the device; adjust the gear via the control knob to meet your needs"].

5.After use, turn off the product (disconnect the power supply for electrical products) and store it in a dry, well-ventilated place.

2.2 Usage Restrictions

This product is intended for household and personal use only, and shall not be used for industrial, commercial, medical, or other non-intended purposes.The following restrictions must be observed:

- Do not modify, disassemble, or refit the product without authorization, as this will invalidate compliance certifications and cause potential safety hazards.
- Do not use the product in extreme environments (e.g., high temperature, high humidity, flammable/explosive areas) beyond the specified range.

- Do not overload the product (for load-bearing products) or use it with incompatible accessories that are not approved by the manufacturer.
- Minors under 14 years old must use the product under the supervision of adults; certain products (e.g., sharp tools) are not suitable for minors.

3.Compliance Markings

The following compliance markings are affixed to the product body and packaging, indicating conformity with EU regulatory requirements:

- CE Marking: Affixed in a visible, legible, and indelible manner, confirming compliance with applicable EU directives.
- [Other Applicable Markings, e.g., "WEEE Symbol" for electrical/electronic products, "CE PED Mark" for pressure equipment, as per product category]

The CE Marking shall not be altered or removed without permission.

4.Applicable Regulations & Harmonized Standards

This product complies with the essential reguirements of the following EU directives and harmonized standards, ensuring conformity with EU market access requirements:

Category	EU Directive / Harmonized Standard	Number & Date
Hazardous Substances Restriction	RoHS 2.0 Directive	2011/65/EU, amended by (EU) 2015/863
Chemical Substances Regulation	REACH Regulation	(EC) No 1907/2006
Electromagnetic Compatibility (for electrical products)	EMC Directive	2014/30/EU
[Product-Specific Categoryl	[Corresponding Directive/Standard]	[Relevant Number & Date]

For the complete list of applicable harmonized standards, please contact the manufacturer or EU Authorized Representative.

5.Warning & Safety Information

Warning!Failure to comply with the following safety precautions may result in personal injury, property damage, or product malfunction. Read and follow all

instructions carefully before use.

- Keep the product away from children under 14 years old to avoid choking hazards (for small parts), electric shock (for electrical products), or other injuries.
- For electrical products: Do not touch the product with wet hands, avoid exposure to water or other liquids, and disconnect the power supply immediately in case of short circuit or overheating.
- Do not use the product if it is damaged (e.g., cracked casing, frayed wires). Contact after-sales service for repair or replacement; unauthorized repair is prohibited.
- Dispose of the product in accordance with EU WEEE Directive (2012/19/EU) and local waste recycling regulations.Do not discard it as household waste.
- [Product-Specific Warning: e.g., "For sharp tools: Keep the blade away from the body; wear protective gloves during use."/ "For battery-powered products: Do not disassemble, short-circuit, or incinerate the battery."]
