3. Compliance Information

- This product complies with all applicable requirements of the EU General Product Safety Regulation (EU) 2023/988 (GPSR). A comprehensive risk assessment has been completed to ensure the safety and compliance of the product during normal use, allowing it to circulate freely within the EU single market.

- This product does not require a formal Declaration of Conformity (DoC), but the manufacturer has completed a comprehensive risk assessment and retained relevant technical documents such as material safety data and product test reports, which can be provided at any time upon request by EU market supervision authorities.
- Technical documents will be kept for 10 years from the date the product is put on the market to ensure product traceability.
- CE Marking Usage Specifications: If this product needs to be affixed with the CE mark (determined according to product classification), it will strictly follow EU requirements to ensure the mark is clear, visible, permanent, with a minimum height of not less than 5 mm and the proportion remains unchanged.

4. Safety & Warnings

- **⚠Important Safety Information**

  Read all instructions before use. Failure to follow these instructions may result in damage to the product or personal injury.

- **⚠Warning:**

  - Keep the device and its cord out of reach of children under 3 years old.
  - Keep away from children unless supervised by an adult.
  - Do not use this product for purposes other than its intended use.
  - Inspect the product before each use; do not use if damaged.
  - Follow installation and operation guidelines to avoid injury.
  - Do not expose to high temperature or pressure.

5. Instructions for Use

1. Preparation: Check if the products and accessories inside the package are complete.
2. Installation: Open the package and Install the product to your device.
3. Check: After installation, check if the product can function properly.

6. Dispose Notice：

Dispose according to EU WFD and local recycling regulations.
