

Pure Plastic Desktop Ornament - Product Manual

Applicable Product: Pure Plastic Desktop Ornament (No Electronic Functions, Non-Electrified)

I. Product Introduction

1. Product Name

Pure Plastic Desktop Decoration Ornament

2. Product Purpose

This product is a decorative desktop ornament designed for placement on stable indoor desktops. It is used to beautify living and working spaces, enhance decorative ambiance, and match different interior styles.

Important Note: It shall not be used as a load-bearing tool, children's toy, or for any other non-decorative purposes.

3. Product Material

Food-grade safe plastic, free of toxic and harmful substance emissions, in line with the basic safety requirements of EU GPSR for daily decorative products.

II. Usage Instructions & Restrictions

1. Correct Usage

- **Placement:** Position the product on a **stable, dry, and non-inclined** desktop or flat surface. Ensure the bearing surface can fully support the product's weight to prevent slipping and falling.
- **Cleaning:** To remove surface dust, gently wipe with a clean dry soft cloth. For stubborn stains, use a slightly dampened soft cloth (without dripping water) and wipe immediately with a dry cloth.
- **Storage:** When not in use for a long time, place the product in a sealed bag and store it in a cool, dry place to avoid dust accumulation and material aging.

2. Strict Usage Restrictions

- **Load-bearing Prohibition:** This product is for decoration only. **Do not place any heavy objects (load-bearing limit $\leq 0.1\text{kg}$);** excessive weight will cause product deformation or breakage.
- **Environmental Restrictions:**
 - Avoid prolonged exposure to direct sunlight (more than 8 hours a day) to prevent plastic discoloration and embrittlement.
 - Do not place in high-temperature environments (temperature $> 40^{\circ}\text{C}$, such as near heaters, stoves) or humid areas (humidity $> 70\%$, such as bathrooms, kitchen sinks).
 - For indoor use only; do not use outdoors to avoid damage from rain, wind, and ultraviolet rays.

- **Operation Restrictions:** Do not disassemble, cut, or modify the product structure; do not use chemical solvents (alcohol, bleach, disinfectant, etc.) for cleaning, which will damage the surface finish.

III. Item Detailed Information

Manufacturer Name Shenzhen niuwuwu electronic commerce co., ltd

Manufacturer Address Room 101, No.3, Lane 2 Riverside Garden, Shiyan Street, Baoan District, Shenzhen, Guangdong, CN (China)

EU Responsible Person Y & H S.R.L.

EU Responsible Person Address Via Gravina 21, Matera, Puglia, IT (Italy)

Customer Service Email [\[1018737211@qq.com\]](mailto:1018737211@qq.com)

IV. Safety Warning (Mandatory)

WARNING

1.If the product contains detachable small parts (size < 3cm), it is not suitable for children under 3 years old to use without adult supervision. Prevent children from accidental ingestion to avoid choking risk.

2.The product is made of plastic. Dropping or strong impact may cause breakage, resulting in sharp edges. Do not touch the broken parts to avoid scratching; please discard the damaged product immediately.

3.Do not put the product or its parts into the mouth; do not contact food, beverages, or tableware to avoid potential health risks.

4.Do not incinerate the product or its waste. It will release toxic gases when burned, which is harmful to the environment and human health. Please dispose of it according to local plastic waste classification regulations.
