Fashion Sunglasses User Manual

⚠Warning & Safety Information

I. Instructions for Use

Daily Wear: Hold the temples with both hands and put on the glasses left first, then right.
Cleaning & Maintenance: Gently wipe the lenses with the provided cleaning cloth to remove fingerprints.
Storage: When not in use, store the glasses in the case with the lenses facing upward.

II. Precautions

Avoid Pressure and Impact: Do not place the glasses lens-down or subject them to heavy pressure.
Keep Away from High Temperatures: Do not leave the glasses in a hot vehicle under direct sunlight, as this may cause frame deformation.
Proper Removal: Removing or putting on the glasses with one hand may loosen or deform the frame.

III. Features

Face-Shaping Design: Cat-eye style visually minimizes facial appearance; unisex design.
Lightweight & Comfortable: Premium materials ensure extended wear without nasal pressure.

IV. Frequently Asked Questions (FAQs)

Blurry Lenses: Usually caused by oil residue; wash with diluted dishwashing liquid, then rinse and dry thoroughly.
Loose Temples: Screws have loosened; visit an eyewear store to have them tightened.
