## Product Category 1: Comb Hair Brush Cleaner Plastic Handle

### 1.1 Product Introduction

Our Comb Hair Brush Cleaner with Plastic Handle is a practical, lightweight cleaning tool, specially designed to remove embedded hair, dust, and debris from combs, hairbrushes, and various beauty tools. As essential cleaning supplies and beauty tool accessories, this cleaning brush effectively solves the trouble of difficult-to-clean hair residue stuck in brush teeth or comb gaps, keeping your beauty tools hygienic and extending their service life. Crafted from high-quality plastic (handle) and dense, sturdy nylon bristles (cleaning head), the cleaner is durable, wear-resistant, and easy to hold. The ergonomic plastic handle provides a comfortable, non-slip grip, allowing you to apply appropriate pressure while cleaning without hand fatigue. The thin, flexible nylon bristles can easily penetrate into the gaps of combs, hairbrushes (including round hairbrushes, flat combs, and styling brushes), and other beauty tools, efficiently scraping off embedded hair, dandruff, and dust—without damaging the brush teeth or the surface of your beauty tools. Compact and portable, this cleaning brush is small enough to fit in your bathroom drawer, makeup bag, or travel pouch, making it convenient for daily use at home or on the go.
