5. Instructions for Use **【Mandatory】**

① ASSEMBLY/USAGE INSTRUCTIONS

Assembly (for assembled products only)

Check all parts and accessories according to the Parts List below to ensure no missing or damaged items.

Follow the assembly steps in order (refer to the attached drawing if applicable); do not reverse or skip steps.

Use the dedicated tools provided (do not use non-matching tools to avoid part damage).

After assembly, check the stability of the product and confirm all parts are firmly connected.

Usage

For daily use: Operate the product according to its functional design (e.g., adjust the height/angle for furniture; press the control button for electrical appliances).

② MAINTENANCE & CARE

Clean the product regularly with a soft, dry cloth (for plastic/wooden products: avoid corrosive cleaners such as bleach; for metal products: wipe with anti-rust oil if necessary).

For fabric products (sofa/cushion): Remove the cover and wash with mild detergent; do not bleach or iron at high temperature.

For electrical products: Unplug the power before cleaning; do not immerse the main unit in water.

Check the product regularly (e.g., fasteners for furniture, power cord for electrical appliances) and replace damaged parts in time.

Store the product in a dry, well-ventilated place when not in use for a long time.

NOTE: Sellers shall add and adjust product-specific steps where necessary.
