尺寸: 340\*100mm 双面印刷

材质: 128克铜版纸

 <p>Phone Planet</p> <p>3 IN 1 Magnetic Wireless Charger</p>	<h3>Product Introduction</h3> <p>This is a multifunctional desktop magnetic 3 in 1 auto rotation wireless charger, which can wirelessly charge mobile phones, headphones, and watches at the same time by power supply. Bid farewell wired shackles and start wireless experience.</p>	<h3>Product Parts Description</h3>  <ul style="list-style-type: none"> <li>① Touch button for rotation</li> <li>② Charging area for phone</li> <li>③ Charging area for earphone</li> <li>④ Charging area for watch</li> <li>⑤ Indicator Light</li> <li>⑥ Type-C input port</li> </ul>	<h3>Specifications</h3> <p>Input: DC 9V/3A, 5V/3A Output: 15W Max Product Standard: Qi2 Earphone Output: 2.5W Watch Output: 2.5W</p> <p>Charging Distance: ≤10mm Charging Efficiency: ≤80% Product Dimension: 76*76*109mm Product Material: Aluminum Alloy + Tempered Glass Input interface: Type-C port</p>  <p>Fast Wireless Charging requires PD30W or above adapter.</p>	<h3>Indicators and Protection</h3> <ol style="list-style-type: none"> <li>1. Standby mode: The green LED light keeps on 10 seconds and turns off.</li> <li>2. Charging mode: The ice blue LED light breathing and will go off after 20 seconds. Once the phone removed, the light remains off status.</li> <li>3. FOD function: when put metal or magnet objects on the charger, the ice blue LED light will flash 6 times and stops charging.</li> <li>4. Perfect protective function based on over-voltage, over-current, over-temperature and short-circuit protection.</li> </ol>
	<h3>Product Usage Guide</h3> <ol style="list-style-type: none"> <li>1. Please connect the product through the Type-C quick charging cable to the QC or PD above power adapter, to ensure that it supports fast wireless charging.</li> <li>2. Built-in stepper motor and touch button to support wireless charger automatic rotation function, to compatible with different size of qi-enabled smartphones.</li> <li>3. Press and popup the iWatch charging stand, place the Apple Watch to start wireless charging with 2.5W output.</li> <li>4. Press and popup the earphone charging stand, place the earphone case to start wireless charging with 2.5W output.</li> <li>5. Touch-sensitive design that allows for the automatic rotation of your smartphone with different viewing angle. (Please do not rotate it by hands to avoid of damage the product. Please reconnect the power supply and touch button to adjust it to the correct position.)</li> </ol>			<h3>Attention</h3> <ol style="list-style-type: none"> <li>1. Please do not vigorously extrude or collide.</li> <li>2. Please do not dismantle or put it into fire or water when the product is power on, to avoid short circuit or leakage.</li> <li>3. Please do not use it in severely high temperature, high humidity or corrosive environment, to avoid damage to the circuit leakage.</li> <li>4. Please do not put the magnetic strip or chip card (Such as ID card, bankcard etc.) on the charging pad to avoid to cause magnetic card lose efficacy.</li> <li>5. Please do not put the metal (Such as coin etc.) on the charging pad when charging, to avoid damage from heating.</li> </ol>
